LED

FINO A 25.000 ORE DI DURATA

FINO ALL'80% DI RISPARMIO ENERGETICO

The advertisement displays a variety of SYLVANIA LED light bulbs against a purple background. The bulbs include standard incandescent-style bulbs, candle-shaped bulbs, MR16 spotlights, and a long fluorescent-style LED tube. Each bulb is accompanied by a small label detailing its power consumption, light output in lumens, and energy efficiency class.
